

FREE HOME ELEMENTARY PTA 2023-2024 WELCOME BOOKLET

On behalf of the 2023-2024 FHES PTA Board, we would like to welcome back all returning families and extend a warm welcome to all new families this school year! We are excited to have our Free Home family back together for another great school year.

FHES PTA consists of parents, teachers, grandparents, aunts, uncles, and community members working together to support and enrich all students. We support school staff, hold several school events annually, provide many academic needs for the school, and advocate for every child. We want to encourage everyone to participate in PTA activities and volunteer if you are able. If you are unable to volunteer, we have many other ways for you to be involved as an active member of PTA, such as ordering or sending in needed items.

You must join the PTA each school year to receive the current member benefits and be a participating PTA member. Scan the QR code below to join today!
