

ROCKET REPORT

THANK YOU FOR A WONDERFUL HOLIDAY SEASON!

PTA is very appreciative of all of our families, staff, and community for making the holiday events a success. We would not have been able to host fun activities and create these special memories without our volunteers and donors. The Free Home Community is one of a kind!

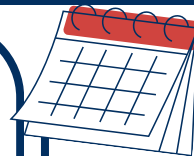

STAFF SPOTLIGHT MRS. BROOKS

Mrs. Brooks is our school counselor. In her role, she teams up with students, staff, parents, & the community to foster a safe learning environment & to encourage all students to reach their full potential. Mrs. Brooks helps all students, K-5, to develop life skills such as decision-making, communication, & relationship building. In individuals & small groups visits, she supports students facing issues such as grief, academic frustration, social conflicts, or behavior choices. Mrs. Brooks is also the 504 Chair & Testing Coordinator. In her free time, she enjoys hiking & camping with her family.

If Love could be a place, it would be called "Free Home"
