VOLUNTEER OF THE YEAR 2024

Congratulations to Loren Marshall!

She was selected as this year's FHES volunteer of the year. Loren volunteers with the PTA. Not only

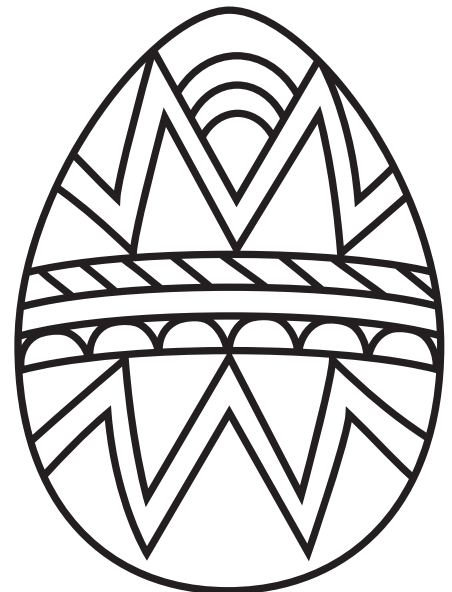

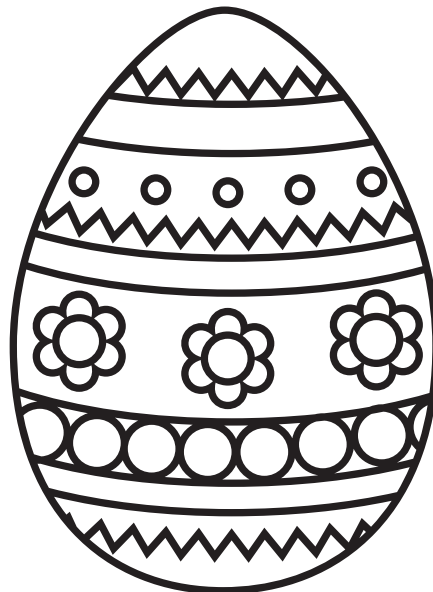

does she serve as a room mom, she is also responsible for the amazing decorations at PTA events. She often creates these designs at home and transports them to the school to be assembled. Loren is one of the first to come to an event like the Fall Carnival or Barnyard Winter Ball and the last to leave after everything is cleaned. We are grateful for her creativity and dedication to Free Home.

They are working hard on the new Free Home building! The block wall construction and parts of the roofing have already been completed. They're continuing work on electrical, plumbing, and ductwork. Road construction has also begun. How exciting! Take a look:

MILESTONES TESTING

Our students are going to ROCKET!

The Georgia Milestones is a state assessment that Free Home 3rd, 4th, and 5th graders will be taking in April and May. The Milestones measures how well students have learned the knowledge and skills in English language arts, mathematics, and science (5th grade only). It is designed to provide information about student achievement and readiness to move to the next level of learning.

CROSSWORD

The crossword puzzle grid consists of several intersecting horizontal and vertical lines forming empty boxes. The following icons and arrows indicate the starting points for words:

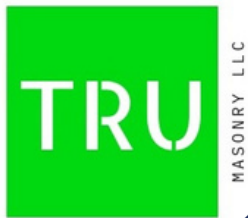

- Top-left: Three colorful Easter eggs with a right-pointing arrow.
- Top-middle: A small green plant growing from a brown pot with a right-pointing arrow.
- Middle-left: A pink flower with a right-pointing arrow.
- Middle-right: A brown bird's nest with a right-pointing arrow.
- Bottom-left: A green grasshopper with a right-pointing arrow.
